Who is the course aimed at?

This is a very exciting and interesting course suitable for people who are interested in pursuing a career in the Information Technology Industry and Services. The information and technology industry is a growth sector within Ireland. The course is intended to equip participants with knowledge and skills which will give them the opportunity to access further learning opportunities or employment. The course will also enable the participants to gain knowledge to develop their own business such as Web Design. Further Learning opportunities include.

Career Options/ Progression Path

On successful completion of the eBusiness and Web Design course participants can progress to:

- ✓ Institute of Technology Blanchardstown - (**Higher Certificate in Science in Computing in Information Technology**)
- ✓ Level 6 courses in PLC colleges
- ✓ Employment within the IT Sector
- ✓ Self-employed web designer

Who can apply?

The course is open to people in receipt of social welfare payments, and/or who have left school early without completing second level education.

What do I do if I'm interested?

If you are interested in this course please ring the **Fingal Adult Education Service Balbriggan, 01- 8417763** to book your place in the information evening or morning. All applicants will be screened and interviewed for a place on this course. This course is full time from November 2011 to June 2012.
